Program Cost

Tuition for the program is \$1350 per person for businesses participants, \$950 for small business (under 25 employees), and \$850 per person for non-profit agencies. Breakfast, lunch, materials and transportation are included in the fees. A third party may underwrite the cost for employees of non-profit groups.

Commitment

All Leadership Greater Waterbury participants will be required to attend a two-day orientation and 6 of the 7 scheduled program days in order to graduate. Classes will be scheduled as indicated in the Program Brochure. Participants in the program will require full support from your employer and acknowledgement of the time required away from your position. In addition, participants collaborate on a self-directed, community-oriented team project, which ranges from 20-40 hours of volunteer commitment.
